

Foster Sinks

Michelangelo Sink 1B 30" x 15 6/8" UM **Vintage** - 1418 680

HIGHLIGHTS

Vintage finish

An old-fashioned look, along with the convenience of a steel surface that is not afraid of scratches and nicks. The asymmetric brushing obtained with traditional methods simulates the signs of aging and gives the steel a new and original appeal.

Sturdy sink

The quality of Foster sinks is also in the thickness. All models use top grade stainless steel to manufacture "sturdy" sinks with an elegant design.

Diamond shaped bottom

The water drainage on the base of the sink is a minimalist but original design, with perfectly square edges and a diamond shaped bottom that allows perfect flow of water

Accessories

The concept of functionality is a key element for Foster. Each sink is matched by a series of practical and elegant accessories that transform the sink into a functional working center.

Undermount

The classy and contemporary way to install a sink, here proposed in a wide range of different models and designs.
